Dear Clients,

I hope this letter finds you and your families safe and well. As many of you know I had hoped to be back open by April 1st. Unfortunately, that is not an option at this time. Therefore, On Point Massage will remain closed until further notice.

I am closely monitoring the situation and basing all of my decisions regarding reopening on the recommendations and mandates imposed by government officials. Most importantly I am following the recommendations of the medical community.

While my desire to be able to assist my clients is strong my desire to keep us all safe is stronger. I continue to appreciate your support and understanding. I will remain available via phone for questions and scheduling. All upcoming appointments are postponed until further notice.

Please stay safe and I look forward to seeing you soon.

Sincerely,

*Lindsay Rudolph*
